PERSONAL PRAYER POINTS

- Help us not to look at the present inconvenience and trial, and forget the Eternal realities.
- Let us not be like the disciples who left Jesus, and are ready to say, “This is a hard saying; who can hear it?”
- Let us not be in the number of people who claim to serve God, and not have the experimental knowledge of Him within us.
- Let our desire to do God’s will be not just based upon our own inclination, but upon the deep conviction of the Holy Spirit.
- May our conduct be brought into harmony with the Law of God.
