The End Time Dimension of the Parables

'Counting The Cost'

Recommended Reading: Luke 14:27-33; Mark 12:41-44; Luke 18:22

The central theme of our lesson today has to do with counting the cost before we choose to follow Jesus. The Gospels make it crystal clear that the cost of becoming Christ's disciples is not cheap. In fact, following Jesus is the most expensive proposition of our lives because it costs us all that we have. We will find in the course of our study that many people accept Jesus on the spur of the moment without realizing what their decision will cost them. For this reason, many professed followers of Jesus fall by the wayside. It is because of this danger that Jesus told the parables of the man who builds a tower and the king who goes to war.

PERSONAL PRAYER POINTS

- Help us to give ourselves entirely into the Hands of Christ, seeking for Divine power to do His will.
- Help us to be willing to be moulded after the Divine similitude.
- Help us to acknowledge our imperfections and help us to give up our sins.
- Help us to remember that with each wrong act, the old selfish nature is gaining strength.
- The only hope for our soul is to realize in ourselves the truth of Christ's words to Nicodemus, "Ye must be born again."
